Overwhelmed by news media saturated with partisanship, pundits, and infotainment?

Learn how to find high-quality journalism, stay well-informed, and keep up with breaking news. Find out how six mega-corporations have come to own 90% of US news and entertainment media.

Our featured speaker, Lyle Troxell, host of the radio show/podcast Geek Speak, has been talking about the intersection of media and technology for eighteen years.

Attendees may bring their own lunch.

Free and open to the public. For more information:
