

Nonpartisan Policy

League of Women Voters of Santa Cruz County

The League of Women Voters of Santa Cruz County may take action on governmental measures and policies, but it shall not support or oppose any political party or any candidate.

Recognizing that the League experience uniquely equips members for public life and wishing to encourage members to utilize their knowledge and abilities, non-board members are urged to participate fully in party activities (on an individual basis). Board members' activities must be limited to preserve the League's nonpartisan status.

The president, the voter service director, and any other board member whose position is deemed sensitive shall not run for or hold elective office. If a board member declares for an elective office, the member should resign from the board. Public notices released by the League announcing the resignation of a board member to run for such an office should be carefully worded to avoid the appearance of endorsing the resigning board member's candidacy.

The president, voter service director, and any other board member whose position is deemed sensitive, shall not undertake any action that will cause them to be identified publicly as supporting any candidate for office or any political party. The president, voter service director and holder of any other board position deemed sensitive shall not participate in any political campaign in any way. Other board members shall not chair or administer fundraising or political campaigns, chair campaign events, or work in a significant way in the campaign of a candidate.

A board member may serve on any public board, commission, committee, or coalition; however, that board member does not represent the League unless officially designated as a League representative by the League board.

A board member may not speak or in any way work against a League position.

The political activities of a spouse or relative of a board member are to be considered as separate and distinct from the activities of the board member.

Board members shall present questions about specific situations to the Board where the preceding statements do not resolve or address the question. The final discretionary power in maintaining the League's nonpartisanship shall be the Board's responsibility.
